

- The Sea Turtle Walks sold out with 409 participants increasing revenue by 44%.
- Generous grants from the Community Foundation of Broward, the Division of Forestry and First Data Western Union allowed 10 high school students to participate in YATSEE (Youth Achievement through Science Enrichment and Employment), an earn-as-you-learn intern/mentorship program for inner-city high school students.
- Staff delivered 1,352 Live Animal Encounter programs to Museum visitors.
- Grants from the A.D. Henderson Foundation and the MetLife Foundation supported the Museum's Little Explorers program, enabling the Museum to provide a program of basic science literacy to 200 at-risk preschool children and their parents.
- 1,645 science demonstrations were served at the Science Café.
- 771 children attended the Museum's camp programs and camp revenue increased by 9%.
- 1,523 youth enjoyed a night at the Museum in the Museum's overnight camp-in program.
- 3,219 children and parents attended 92 birthday parties at the Museum.

Blockbuster® IMAX® Theater

EXTREME MAKEOVER

The IMAX® theater underwent much needed refurbishments in 2006. In addition to new flooring and acoustical wall paneling, all new comfortable seats with cup-holders were installed. Also added was a system for the latest technology in 3D film viewing, the new XR 3D glasses. These lightweight glasses come in three sizes, allowing every member of the family to enjoy the best IMAX® experience possible.
